- Practical, supporting materials that build reading confidence and reinforce science of reading techniques.

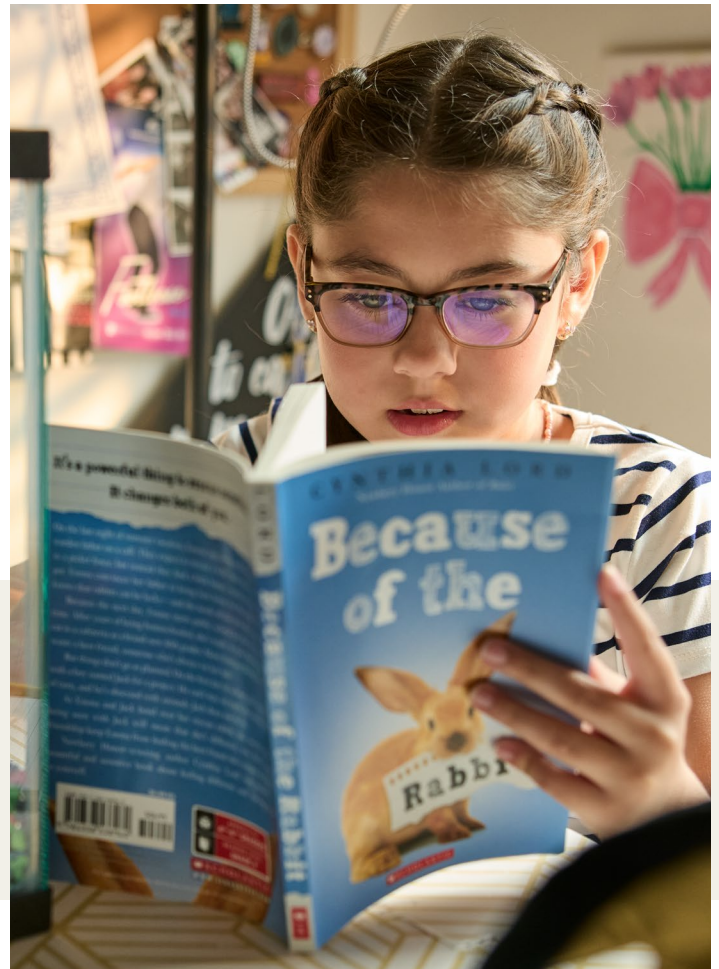

**In addition to book delivery, New Worlds Reading provides:**

- Community engagement events with schools and local community organizations,
- Professional learning resources on our website for educators using New Worlds Reading books to strengthen the home and school connection, and
- Opportunities for Florida families to participate in new, innovative literacy tools.

**Florida families are loving the program!**

*"The words were kinda hard for me. They were long and I couldn't sound them out... Now, I can sound out words easily and I just love to read!"*
